Lynda began with us in 1994 after attending Thiel College in Greenville, PA where she was born and raised. Lynda's first position at Taylor was in sales, however she's worked in most areas of the company. Currently Lynda is our Director of Sales & Marketing and represents The Taylor Companies at CSCMP, WERC, IWLA and several other sales and marketing organizations.

Lynda has landed several important accounts and works with Customer Service. Need a rate quote? Contact Lynda.

"I enjoy working on supply chain solutions with our current customers as well as developing solutions for potential customers. Through many of the continuing education classes at the University of Wisconsin and the Kelley School of Business at Indiana University as well as the professional associations that Taylor has given me the opportunity to be associated with, I have had the opportunity to connect and collaborate with Logisticians whose knowledge and experience continue to guide me.

I believe that today's supply chain professional must be up to date on ALL business functions in order to better understand the supply chain."

In my spare time, I enjoy watching sports, especially Notre Dame Football and have found a new love for youth soccer and basketball thanks to my two children, Brittany and Michael.

Taylor Logistics has an active membership with TIA (Transportation Intermediaries Association) and is proud to be associated with the P3 Platinum Performance Program.
